REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the claims as supported by the specification differs from the prior art in that it does not teach an optical marking apparatus having specifically an angle varying means including a front positioning device formed on a front portion of the housing, and a fulcrum positioning device formed on a rear portion of the housing, and an angle indicating disk disposed about the fulcrum positioning device, whereby upon an angular rotation of the front positioning device about a fulcrum axis in the fulcrum positioning device in an angle as shown in the angle indicating disk, a laser optical line will be projected outwardly from the laser illuminator to be deviated in said angle from a laser optical line as originally projected from the illuminator.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to M. Alexandra Elve whose telephone number is 571-272-1173. The examiner can normally be reached on 6:30-3:00 Monday to Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick Ryan can be reached on 571-272-1292. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
